MISSION

The mission of the Michigan Humane Society is to end companion animal homelessness, to provide the highest quality service and compassion to the animals entrusted to our care, and to be a leader in promoting humane values.

The Michigan Humane Society is funded solely by private donations. Individuals, corporations, foundations, even school groups contribute to the Michigan Humane Society to keep our programs viable. Individual giving opportunities include participating in our special events, making online donations and responding to our newsletters and community mailings. Corporations and other organizations offer additional funding through event sponsorships, matching gift programs, grant making and annual giving. Planned giving opportunities include establishing a trust, naming the Michigan Humane Society as a beneficiary or making a bequest to Michigan Humane Society in your will. Please call (248) 283-1000 for more information on how you can help.
