

24 Hour Emergency Veterinary Clinics

If your pet is in need of emergency veterinary care on weekends, holidays or after normal business hours, you may wish to contact one of the clinics listed below. **Hours vary. Most emergency veterinary centers ask that you call before arriving with your pet.**

If you have found an **injured stray animal**, please contact your local authorities or a DNR-licensed wildlife rehabilitator.

Please note: The following list of emergency veterinary clinics is for informational purposes only. These clinics have no affiliation with, nor are they endorsed by, the Michigan Humane Society.
