Michigan Humane to Host Inaugural “Meet Your Best Friend at the Shelter” Adoption Event

Event partners with the Mike Morse Law Firm September 9 at the Berman Center for Animal Care

WESTLAND, Mich., Aug. 29, 2023: Creating healthy, happy families through pet adoption is at the core of Michigan Humane’s mission and with the support of the Mike Morse Law Firm, the organization’s official adoption partner, families in metro Detroit will have a chance to find new companions at the inaugural “Meet Your Best Friend at the Shelter” adoption event. Taking place on Saturday, September 9, 2023, from 10 a.m. until 1 p.m. at the Berman Center for Animal Care in Westland, the event will have more than 150 animals available for on-site adoptions.

Available for adoption will be dogs, cats, and other domestic animals from Michigan Humane. Also joining the event that day are community partners Friends of Detroit Animal Care and Control, Midwest Small Breed Rescue and No Dogs Left Behind.

“Pets just make things better! Our homes, families and communities are healthier and safer with pets,” said Michigan Humane President and CEO Matt Pepper. “We are excited to partner with our long-time friends at the Mike Morse Law Firm and other area shelters and rescues to bring you this unique adoption opportunity. Come, make a connection that will change your life.”

With over 175 animals adopted at the “Meet Your Best Friend at the Law Firm” event this past May, Michigan Humane, along with the Mike Morse Law Firm, hopes to raise awareness about the positive impact adoption has not only on individuals, but the greater community overall.

“Just like anyone else, shelter pets deserve love, care, and a chance to be cherished members of a family, said Mike Morse, founder of the Mike Morse Law Firm. “The ‘Meet Your Best Friend’ pet adoption event isn’t just about finding homes for these animals; it’s about creating new bonds that enrich the lives of both the pets and their new families.”

“Having personally adopted a shelter pet, I’ve witnessed the incredible transformations that can happen when these animals are given a loving home. We help host this event, because we truly love our community and want to contribute to its well-being in every way possible.”

Potential adopters should bring a valid, state-issued photo I.D. and leave any resident pets at home. Each organization will have their own adoption requirements and adoption fees will vary.
